

# **James's bible study True Wisdom Comes from God**

## **Introduction**

### **1. Proof of True Wisdom (James 3:13)**

- Wisdom is demonstrated not just by knowledge but by how one lives.
- A wise person shows humility and goodness in their actions.

### **2. False Wisdom Leads to Disorder (James 3:14-16)**

- Bitter jealousy and selfish ambition are signs of earthly wisdom.
- This kind of wisdom leads to disorder and evil, not peace.
- Such attitudes stem from an earthly, unspiritual, even demonic source.

### **3. The Characteristics of God's Wisdom (James 3:17-18)**

- True wisdom is pure, peace-loving, gentle, willing to yield, full of mercy and good deeds.
- It is sincere and impartial – it does not favor one person over another.
- Those who promote peace will reap a harvest of righteousness.
